

U.S. Patent Application of Yamane et al.  
Serial No.: 09/604,896 - Art Unit: 2857

**IN THE DRAWINGS:**

Applicants note that they have provided formal drawings Figs. 1-13 (attached).

It should be noted that the typographical corrections to Figs. 6-8 were earlier approved by the examiner and we enclose, therefore, formal drawings including the previously approved Figs. 6-8 and the Fig. 13 earlier discussed with the examiner and noted in the prior Interview Summary. No non-approved amendments have been made or new matter added as Fig. 13 qualifies for neither characterization.
